Treasurer – John.

President – Paul .

Still a few concerns regarding the printed copy of the contract. Paul and Jerry working diligently on getting it right, which is an uphill battle. Also, the Midwest Conference will be in Kansas City this year. More information coming.

Vice President – Jerry.

Voting for IEA/RA this upcoming November 30th.

Region Representative Report – Nicole.

Things are going smoothly with Sodexo. No real issues, and not many complaints about extra workloads.

Uniserve Director – Julie

.... Was not present

Old and New Business-

Missing union cards were found, and thus the destruction of the universe was averted.

Upcoming Election for Building Reps. Lots of problems getting anyone to sign up. Lack of interest in general for these jobs, many of those positions will probably go to Head Custodians as a default.

(Approved)

Next meeting set for December 13th, 3:15pm at Beebe (but instead we're meeting on the December 6th... go figure)
