Posted on August 21, 2013 by Secretary Rik

A letter from Carol Christianson to all NUMA members was sent out regarding the new KRONOS time clocks.

In a nutshell, what does this mean to you?

NUMA members no longer use timesheets for *school* OT - HOWEVER - we must still fill out OT sheets for School *rental* OT.

NUMA members punch themselves in and out.

It is the NUMA members responsibility to make sure their time punches are correct.

It is the NUMA members responsibility to make sure they work the hours they are scheduled, if you work less you will get paid for less.
