

[Negotiation Questionnaires are coming your way!](#)

Posted on September 25, 2013 by Secretary Rik | [Edit](#)

Dear NUMA Members, on July 1st 2014 our contract expires. To help prepare for the upcoming Negotiations, Questionnaires are coming your way.

The Questionnaires should be arriving in the buildings around September 27th to September 30th. Please make sure to get a Questionnaire from your Building Representative at that time. If you can not get one, you can click the link below and print one up for yourself.

Please take the time needed to fill out the Questionnaire. They will be collected by the Building Representative and sent back to me via inner-school mail in the already addressed return envelope provided to them.

It is ok if you need extra time to fill the Questionnaire out. You don't have to rush it, you have time to get it right. When you are finished, fold it in half and staple it closed and write on one side: **Rik Nelson – Beebe School** and then put it in the inner-school mailbag, or have your Building Representative put it in there for you.

The Questionnaires are for non-probationary NUMA members only.

These Questionnaires are important in helping The NUMA Board decided what to negotiate for in the upcoming contract.

The NUMA Board believes that the more specific information that is given to us the better. It allows us to better negotiate for things that are important to you, our members.

The questionnaire must have the member's name on it, and be signed, in order for us to read it.

Members only have to answer the questions that they want. A little input is certainly better than none. However, a lot of input is certainly better than a little.

The questionnaire is due back to me, RIK NELSON at BEEBE SCHOOL by October 14th in order for the NUMA Board to read it.

You can get a copy of the Questionnaire here: [Negotiations Questionnaire](#)

Thank you, From Rik Nelson, your NUMA Secretary
